It is important for all units to stay and sit together to prevent Scouts from becoming separated in the dark. Be Prepared – Scouts and adults should bring a flashlight/headlamp with them to the campfire.

Skits are a time-honored tradition and favorite of all Scouts. Please sign up on Friday at Cracker-barrel OR Saturday Check-in for your time slot to perform a skit or song. At this time, you will need to supply the Assistant Activities Chair with a summary or script for your skit. Please submit your skit for approval prior to lunch on Saturday.

Due to time constraints, each unit will have three minutes per skit/song and no more than two skits per Unit. Remember to bring your Unit flags, chants, and your SCOUT SPIRIT!!!

SCOUTS OWN SERVICE

A Scout is Reverent. There will be a worship service on Sunday morning at 0900. The service will take place at the Chapel and will be conducted by Troop Chaplain's Aids. All Scouts and families are encouraged to attend as it is our Duty to God.

CHECK OUT PROCEDURES:

IN ORDER TO ENSURE AN ORDERLY CHECK OUT PROCESS, PLEASE OBSERVE THE FOLLOWING GUIDELINES:

- The same rules that were followed on Friday night for vehicles in the campsite will be in effect. Pack up and place your items outside the campsite near the fence and then you may go get your vehicle to load.
 - (HINT: if your tent is still up you are not ready for our vehicle to be in the loop) YOUR COOPERATION WILL ENSURE THAT NO ONE GETS HURT DURING THIS PERIOD.
- We kindly ask that Unit Leadership be the last ones to leave your campsite. Some of our families, this is the first time they are camping so we would appreciate your help in making sure the campsites are left better than you found them.
- Cubmasters, must check out with the Program Director prior to leaving and to receive your Unit patches.

We hope everyone had an excellent time and look forward to next year!!!
