Letter from the Camp Director

Dear Scouts, Adult Leader and Parents,

The Texas Trails Council, BSA summer camp staff is committed to making your summer camp experience the highlight of your Scouting year. The outdoor setting offers your Scouts the opportunity for outstanding adventures including swimming, camping, hiking, nature study, and more. We continually enhance our program to provide the best well-rounded camping experience for your Unit and your Scouts. Each Texas Trails Council Camp provides distinct characteristics to enhance your outdoor program opportunities.

Camp Tonkawa this year will provide our First Year Camper Program format once again, but with a new look. To a Scout, summer camp is the greatest adventure that Scouting holds. It can be particularly exciting for Scouts BSA attending Tonkawa this summer. The program offers the opportunity for Scouts to work on Rank Requirements from Tenderfoot to First Class along with working on Swimming and First Aid Merit Badges. They'll be assigned in to Patrols as they sign-up for Camp. They will Camp and go to all their Daily Activities as a Patrol.

During the course of the FYC Session, Scouts will have the opportunity for free time along with their busy class schedule so they can go to the Trading Post and hangout, or Play Gaga Ball, or Aquatics area and just swim, or go to the Shooting Sports area for a little archery shooting, or play in one of our camps Tournament, also building teamwork, leadership, and Scouting skills along the way. However, the main goal is for the Scouts to have fun and to leave camp with a positive camp experience and enthusiasm for the Scouting program.

At the end of the FYC Camp, each Scoutmaster will be emailed a listing the requirements that were covered in each Rank and the 4 Merit Badges for each Scout. The staff will not sign-off in the handbooks of individual Scouts and leaves the ultimate verification of each requirement up to the discretion of the troop leaders.

We here at the Texas Trails Council are excited to offer this new program for ALL Scouts and look forward to an amazing summer adventure like no other.

Sincerely,

Bobby Goodson

Camp Director

WELCOME TO FIRST YEAR CAMPER RESIDENT CAMP

Camp Tonkawa is nestled under huge Oak trees in southern Taylor County, Texas. Located about 12 miles south-southwest of Abilene and about 4 miles west of Buffalo Gap, the camp is on FM 89 next to the Abilene State Park.

Camp Tonkawa is a perfect setting for First Year Camper (FYC) Scouting events. These activities are designed for young Scouts to spend time outdoors, having fun as they learn. Camp Tonkawa is an over 200-acre tract of land dedicated to offering Scouts the chance to experience the beauty of the outdoors and enjoy adventure.

Camp Tonkawa is a camp where the Spirit of Scouting is still strong. Songs, campfires, fellowship, and outdoor adventures make it an excellent Scouting adventure for Scouts of all ages.

The Texas Trails Council Camping & Outdoor Programs Committee welcomes you to this Texas Trails Council Camp! We are proud of the Boy Scouts of America's history and pledge our support to you in helping develop Scouts into responsible young people. We thank you for making a significant personal commitment of your time and talent to serve these youths and help instill the values of Scouting through an outdoor program.

FYC Camp Tonkawa

Camp Tonkawa offers a wide variety of fun and challenging programs for your units. Scouts will have the opportunity to meet new people and have great adventures that will help them on their trail in Scouting. The camp program areas are staffed by fellow Scouts who are eager to teach. Program areas include:

- Aquatics/Swimming
- Field Sports
- Nature
- Outdoor Skills / Scoutcraft
- Shooting Sports (Archery)
- Camp Wide Twilight Activities

PLANNING YOUR FYC CAMP ADVENTURE

Planning for camp should start several months before your unit plans to arrive at camp. As a Troop Leader, it is your responsibility to ensure your Scouts are prepared to set and accomplish their personal goals. Here are a few basic tips to help you insure this happens.

-  You should take a few minutes at a Troop meeting to talk with each Scout individually about the summer camp agenda and provide guidance on individual preparation.
-  Some Troops find it helpful to hold a “Summer Camp Meeting” just prior to camp to go over what Scouts need to bring with them for the camp session. At this meeting you should also hand out information packets to parents, finalize paperwork, secure the needed equipment for the Troop campsite, and review the program schedule.
-  Most of all, remember that FYC Camp is an opportunity for Scouts to grow both mentally and physically. The older Scouts should assist as much as possible in preparing the younger Scouts for camp.

GETTING SCOUTS EXCITED ABOUT CAMP!!!

This can be accomplished in many ways. Several ideas for promotion include:

-  Take your Scouts to Camp Tonkawa during the "off season" and let them explore. Discuss the different program areas and historical sites around camp.
-  Hold Troop fund raising projects to help Scouts earn part of their own camp fees.
-  Show slides or videos of previous summer camps at Troop meetings.
-  Invite former and current staff members to visit your Troop to talk about Camp to heighten the Scout's interest.
-  While on a Troop campout, have a campfire and share songs, stories and skits from previous summer camp experiences.

INFORMING PARENTS ABOUT CAMP

Successful Troops hold an informational meeting for parents before Camp. This meeting can be held in conjunction with a Troop meeting, or at some other convenient time prior to summer camp. Parents need to be informed about all the details regarding summer camp. Visitor's night information, camp rules, equipment needs, and departure and arrival times should all be covered during this meeting. All the needed information for a pre-camp meeting can be found in this ***First Year Camper Leader Guidebook***.

CAMP EQUIPMENT

The Texas Trails Council, BSA and Camp Tonkawa have Council owned Tent available for Units and individuals to Rent for \$30 per Tent for the stay of FYC Camp. The Council Tents are a 9ft-by-9ft tent that easily can sleep 4 scouts sleeping on the ground or 2 scouts sleeping on cots. If Tents are Rented, **they are Setup and Taken Down by Units or individuals with the Help from the Camp Staff to ensure there is no damage.** You just need to make your request to Rent a Council Tent by June 10th, 2021, with the Camp Director.

Also, remember that Scouts will be placed into Patrol with other Scouts they may or may not know based on how Scouts are signed up. The Patrol size we try and set during camp to help best serve the scouts during classes is 8 to 10 scouts per Patrol. We try to group scouts from the same Unit together but that doesn't always happen, so remember that when signing up.

CAMP MAIL SERVICE

Mailboxes for each campsite, which should be checked by a leader daily, are in the Camp Office. Outgoing mail is also delivered to the Post Office from here daily. Letters for Scouts at camp should be sent to the following address:

Scout's Name & Pack Number
Camp Tonkawa
4117 FM 89
Tuscola, TX 79562

During swimming pool orientation, Scouts will be shown how to "check in" and will be informed about the rules and regulations that are to be followed during free swims. You will also be given a swim test during the orientation time.

TRADING POST

The Camp Tonkawa Trading Post is stocked with various souvenirs, t-shirts, patches, camping gear, writing materials, stamps, refreshments, and toilet articles. The following hours of operation are subject to change due to staffing and camper traffic. The trading post is open after morning flags until approximately 9:30 pm each evening. The specific hours of the trading post will be announced and posted.

SPENDING MONEY - It is suggested that Scouts bring spending money to camp. We have a very well stocked Trading Post. Some Scouts bring approximately \$50 or a prepaid credit card to camp. Troops may wish to operate a "bank" to hold money for Scouts while at camp. Only small bills \$1s, \$5s & \$10s should be brought to camp. The Trading Post cannot easily make change for larger bills. **The Trading Post also can process Credit Card payments for purchases over \$10.00 plus 4% service fee.**

All personal items and spending money should be kept in a secure camp box while at camp. Clothing should be clearly marked with your full name and Troop number.

Camp Tonkawa and its Staff are not responsible for securing or for the loss of personal items. It is your responsibility to keep track of all personal valuables while at camp.
